Stone Road Closing Information

Wylie, TX – Beginning at 9 am on Monday, January 15, Stone Road will be closed at the Hilltop intersections for the installation of a new storm sewer crossing. The intersections are scheduled to reopen on Thursday, January 18. Bad weather could delay or extend the road closing.

Residents who travel Stone Road will be redirected prior to approaching these intersections. The City recommends that drivers utilize Park Street (north of the Stone/Hilltop intersection) and Pirate Drive (south of the Stone/Hilltop intersection) as alternative routes during the interim.

This is the only scheduled closing as part of the project to expand Stone Road. This nine-month project is phase 1 of the street project approved by voters in the November 2005 bond election that will have Stone Road eventually expanded to a four-lane concrete street from Ballard to W.A. Allen/FM 544.

- end -

Incorporated in 1887, the City of Wylie is located just 24 miles from downtown Dallas in Collin, Dallas and Rockwall Counties. Wylie (population 33,000) is one of the fastest growing communities in the State of Texas with a 118% increase since 2000. Possessing an outstanding school district, a low crime rate, an ISO #1 rating and an expanding business climate, Wylie is the ideal place for people looking for a small town environment with easy access to big city amenities.
